

Region	Best For	Wildlife Highlights	Landscape	Accessibility	Safari Style
Far North	Birders, seasoned safari-goers, solitude seekers	Rare antelope, Pel's fishing owl, elephants	Fever tree forest, baobabs, ridges	Remote, best accessed by air	Fly-in, luxury concessions, expert-led
North	Birders, return visitors, peaceful travel	Elephants, buffalo, leopard, rich birdlife	Mopane woodland, baobabs, rivers	Far from south, but reachable	Self-drive, bushveld camps
Central	First-timers, photographers, predator fans	Lions, cheetahs, hyenas, zebra, wildebeest	Savannah, grasslands, woodland	Easily accessed from southern camps	Both self-drive and guided options
South	First-timers, families, Big Five enthusiasts	Big Five, wild dogs, rhinos, leopards	Riverine forest, thornveld, savannah	Easiest access from major cities	Ideal for guided safaris, short stays
